Manufacturing Information

This certification applies to products manufactured on and after November 12, 2008, at Dunn-Edwards facilities located in: Los Angeles, California and Phoenix, Arizona.

Compliance Information

Dunn-Edwards Corporation, as a long-standing manufacturer of quality paints and coatings, strives to meet or exceed all regulatory requirements for consumer product safety. We continuously evaluate our products on the basis of analytical test data provided by our raw material suppliers, to ensure that each product complies with the Consumer Product Safety Commission's Ban of Lead-Containing Paint (16 CFR 1303). An electronic copy of this general conformity certificate is available at www.dunnedwards.com.

Third-Party Laboratory Information

Not Applicable.
